Garage Sales (Section 51A-4.217(b)(9))

Definition: The sale of tangible personal property at retail by a person who is not in the business or does not hold himself out to be in the business of selling tangible personal property at retail.

The City of Dallas permits two garage sales each year per property. The sale may last no longer than three days and a person cannot sell merchandise acquired solely for resale purposes in the garage sale. A sign advertising the sale can only be placed on the property where the sale is occurring. Garage sale signs may not be placed on property other than where the garage sale is occurring. No signs are permitted in the right-of-way or in the median. Signs placed other than on the property where the sale is occurring may be removed and/or ticketed.
