

Oak Cliff Business Assistance Center

351 W. Jefferson, Suite 210, Dallas, TX 75208 Phone: 214.224.2960

The Business Assistance Center (BAC 4) was awarded to the Greater Dallas Hispanic Chamber of Commerce in 1998 by the City of Dallas to encourage and boost economic development. The center's purpose is to serve as a resource to the business community. Entrepreneurs and small business owner will have access to business information useful to develop and/or expand small business. The BAC is divided into three major functions—Technical Assistance, Training and Development, and Incubator Program.
